Invitation

Dear Colleagues,

Middle East and Mediterranean Association of Gynecologic Oncologist (MEMAGO) is a young and dynamic organization founded in 2015. The main aims of MEMAGO are to increase awareness of gynecological cancers in the Middle East and Mediterranean, provide educational activities by nationally affiliated and international meetings, improve prevention of gynecological malignancies and carry out the evidence-based management of gynecological cancers.

It is our pleasure to invite you to the 1st Emirates Gynecologic Oncology and the 4th Annual Meeting of MEMAGO, between October 11st and 12nd, 2019 in Abu-Dhabi. MEMAGO 2019 covers all the topics in gynecologic oncology and mainly focuses on post-graduate education of gynecological oncologists. The current literature will be discussed and controversies in gynecologic oncology will be the determinant subjects of meeting. MEMAGO 2019 has been endorsed by the International Society of Gynecologic Oncology as well as the European Society of Gynecologic Oncology with 60 distinguished speakers and chairs participating from 14 countries.

We hope to see all of our colleagues; gynecologic oncologists, gynecologists, medical oncologists, radiation oncologists, nuclear medicine specialists, radiologists, pathologists, anesthesiologists and cancer care nurses in Abu-Dhabi to share their experiences and innovative ideas.

We will be glad to welcome you in Abu-Dhabi.

Ali Ayhan

President of MEMAGO

Welcome Message

Dr. Saad Ghazal-Aswad

Dr. Hassan Jaafar

Dear Colleagues,

On behalf of the scientific committee, it is our great pleasure to invite you to join us for **The 4th MEMAGO Annual Congress in Association with the 1st Emirates Gynecological Oncology Conference** to be held on **11-12 October, 2019** at Rosewood Hotel in Abu Dhabi, UAE.

The conference aims to discuss the latest clinical advances and developments in research, practice and treatment of women with gynecological cancer to promote the well-being of women and to raise the standards of practice and consider ways towards better care for gynecological cancer patients.

The scientific committee has teamed up with national and international societies, such as Emirates Obs & Gyne Society, International Gynecologic Cancer Society (IGCS), Middle East and Mediterranean Association of Gynecologic Oncologists (MEMAGO), in offering a comprehensive program that covers the latest, cutting edge information including innovative developments in surgery, chemotherapy, radiotherapy, and pathology. This Meeting is multi-disciplinary and draws on expertise from throughout the world to perceive new scientific innovations.

The meeting will feature some of the world-class experts in gynecological oncology from USA, Europe, Middle East, in addition to an elite roster of eminent regional speakers that will cover a broad range of topics, state-of-the-art lectures and interactive sessions to encourage exchange of knowledge, experience and best practices for the betterment of Women's Health.

This summit also encourages the active participation of young researchers as we are hosting Poster Award Competition at the conference venue.

As the premier event, we have developed a high-quality scientific program with your interest in mind. We have not only increased the number of opportunities for you to network with colleagues from across the region but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions and livelier interaction with leaders and experts.

We hope this meeting will be of great benefit to all participants in the region, we also hope and trust that you will enjoy your visit to Abu Dhabi, the capital of the United Arab Emirates, and a vibrant and fast-growing city that combines state-of-the-art facilities and infrastructure, as well as a glimpse into an ancient and endlessly fascinating past.

We very much look forward to your participation in October 2019 and to welcoming you to Abu Dhabi.
